Dear Guests, and delegates of the General Body, warm welcome to you all for this general gathering, I here to submit the activity reports for your kind information about what the executive committee did for the welfare of the poor and needy, please pay attention to the circulated hand copies of the same.

EDUCATION FOR ADULTS PROGRAM : This is the New project that the Organization is working out to organize for the growth and development . we take this challenge promoting the all castes to transform their lives in to the light of education . Some another castes people will never come and join with the civilized people , illiteracy is their backwardness , hence the LIVE FOR CHRIST MINISTRIES decided to start the Adult literacy program with the kind partnership of the **REWRITE LIFE , USA** .

EDUCATION & HEALTH AWARENESS PROGRAM : we have considered to arrange the Education and health awareness campaigns at Marrisipally village , Gowliwada village , Maidupalli village , Laxmipuram village , Parusharam nagar , Housing board colony , 5 Incline area , Indaram village locations are covered and people have learn to keep their health and Education conditions well and I am happy to state that the village authorities and the youth members including the women groups accompanied and therefore the programs are successful, thanks to the participants and beneficiaries and also special thanks to the health and medical department forces that followed the scheduled programs, viral fevers, contagious diseases, cold and cough, sneezing, pregnant women, hygienic, protection of children problems etc are covered in the programs, thanks to the medical staff who have teach the topics and created good understanding.

ADULT EDUCATION LEADERSHIP TRAINING PROGRAM : This is the program designed for the young men and women to train for the bright future of the society , the society needs good and talented leaders who can change the safe of the rural population , selfish local leaders everywhere neglecting the real development of the community , the training is proposed to educate the youth and help the youth to rededicate themselves to the service of the country , the training is very much appreciated by the executive committee and the local administrative people , thanks to the trainers who have taken the responsibility .

DISTRIBUTION OF CLOTHES TO POOR : LIVE FOR CHRIST MINISTRIES Organized " Clothes distribution program " in villages of peddapally district , aiming to provide essential clothing to underprivileged individuals. Distributed clothes to beneficiaries, including women , children , and elderly persons.

WOMEN EMPOWERMENT PROGRAM : the role of the women is very important, she needs the right direction to run the family, and hence we have conducted special programs to educate women and youth in order to enlighten their ability, we have inspired the women groups to maintain the self status in the community, working with the illiterate women is a thrilling and we have the satisfaction in

making their activities be improved that equaling to the modern living conditions, housekeeping, child welfare, nutritious food, cleanliness, benefits of the fresh vegetables, child feeding are the topics in which the women be encouraged to manage the families and be strong in the society.

NATIONAL FESTIVALS : this is the very interesting program that we are organizing the national festivals more to bring the glory of the nation, we approach the people to maintain the integrity and harmony in the day to day life, participating in the independence and republic day celebrations in respect to the nation is a great deal, hence as the Indians we must join the celebrations refreshingly program and conducted the above program mainly in the rural villages, the people gathered and trained to have the clean and green atmosphere around the residential houses, we have provided the shade and fruit bearing saplings and youth associations given the responsibility to supervise the work and protect the growing the plants.

SWACH BHARATH: This is the call given by the central government, and as the social organization we have taken part in doing the swach bharath in rural and urban areas of the district, in some places we have conducted the awareness creation programs with the experts and people educated to keep their surroundings clean, this will ensure that the contagious diseases never affect anybody, the children, youth and the farmers then male and female participated in the programs very sincerely and thanks to them for the interest they have shown to develop the village premises.
