ANNUAL ACTIVITY REPORT – 2022 - 2023

Honorable Guests, Executive committee and the Delegates of the General Body, with pleasure I greet you all on behalf of the Live for Christ Ministries, It's my privilege to stand and submit the progress report of the org. I sincerely appeal to have a glance at the report and approve the same to encourage our commitment for the services.

1. Adult Literacy Program : This program is being operated in Manthani and Ramagiri Mandals of Peddapally Dist. We have approached the Literacy India Trust, Chennai and with partnership is conducted for 10 months, the organization provided primers, slates and black boards, and other materials, have trained youth personal for 5 days and the 4 projects in each 5 A L Centers, all the centers looked after by the Project officers, the A L students benefitted and awarded the certificates of course completion, finally the light of the literacy enlighten the families by learning the financial management, environment, small scale business, housekeeping, etc – I thank each one of the animator, project officer and the Participant for making this program a successful event in the history .

2. Child Development Program : This is the another important program that the live for Christ ministries conduct to educate the children in the village level, Poor parents go for daily wage works, labor and coolly therefore the children not being sent to the school, boys use to play out full day and girls use to help the domestic works to the parents, hence the organization organized evening tuition to all the age groups and taught them the lessons and created awareness about the importance of the institutional education, there in the tuition class teaches about the hygiene,

3. Health Awareness Program: In rural villages poor people do not care about their health conditions, because of the illiteracy unable to maintain safe drinking water, and ignorant of the contaminated diseases, viral fevers, malarial, typhoid and jaundice, intestinal infectious problems and seasonal ill effects more in the communities, keeping in mind we have conducted many awareness programs and alerted people to go for medication at community hospital Mancherial and utilize the facilities at primary health centers nearby. Dr Sridhar MBBS attended and the Local leaders graced the functioning of the scheduled programs .

4. Food for Poor and Labor : This is the strange struggle in the Godavari khani town, the beggars and the children every morning and evening go round the streets and get the little food for their families, sometimes the poor who lives under the shelters suffer for handful of rice, hence the association mandated to give timely meal to the poor for 10 days in a month. Our volunteers distribute the healthy

food taking to the beneficiaries by the auto, distribution daily 12 pm onwards, this was useful to many and I thank the donors and sponsors who have come forwards to feed the needy .

5. National Festivals : To maintain and promote the solidarity among the society we have conducted the national festivals to the interest of the national respect and integrity of the civil society and the social community. Independences day and Republic Day both are celebrated with much reverence, thanks to the local leaders, students, men and women youth leaders for joining the celebrations every year in a grand manner .

6. Sewing Machines to Women to women Program : This is the great program in the history of the society that with the support have distributed 10 sewing machines to selected women, this is the contribution by women to women program, the women stitching the garments and gain some charges and become financial stable in the family, the items are completely free of charges, the women are faithfully using this work and getting nearly 500 rupees per day, thanks to the donors for helping the women to self support their families .

7. Self Help Program : Some people suffer without work and income, for them the organization planed to have the self help training program for 3 days and trained perfectly to prepare the domestic items for daily use, Soap cakes, Phenyl, Pain balm, Dish wash liquid, Surf powder, Candles, the trainer of the trainer Mr, Surender well trained the participants and they are implementing the same and getting income of their own and becoming stable in the family financial matters .

8. VOTE OF THANKS : I am glad about to convey thank all the delegates who have present here in the general body meeting, I must say thanks to the guests, it's my primary duty to thank each and every donor, sponsor, and participants for their valuable contribution for the events that we operate, I have express my gratitude to the executive committee for taking the burden and being partners to fulfill the objectives of the society.
