ANNUAL REPORT – 2023 - 2024

Dear Executive committee, Delegates of the General Body, and the Guests, I greet all on behalf of the Live for Christ Ministries, and it's my immense privilege to bring forth the Annual Report 2024. Please glance the paper presentation and decide to pass the same .

1. Adult Literacy Program : For the second time the program is introduced to the new locations in Manthani, Kamanpur and Ramagundam Mandals of Peddapally Dist. The partnership continued with the Literacy India Trust, Chennai, tremendous results obtained from the Adult literacy learners, almost all the 10 months observed the program without any interruption, as usual we have materials, the trained and interested youth involved in this project, the Project officers, and the Animators worked hard and therefore the final report of completion percent was cent per cent, we are happy that the families both men and the women become the neo literates, enabled to read the books and learned mathematics also, I thank LIT for supporting the program and we are glad that the 450 Adult Learners turned to be the literates,

2. Child Development Program : Under this program we have under taken the after school club program for the entire year, admitted from 5th to 10th class students, the purpose of the program is to conduct physical and spiritual development of the pupils, every day the tuition master conduct one hour study class, one hour play time and half an hour the spiritual storytelling, this is the way we have completely helped the children to get the improvement in the studies, develop the physical health by one hour play exercise in the ground, total villages covered five, No of beneficiaries about 300 all together

3. Health Awareness Program : Health is wealth, the poor people effect by the common physical problems; some tribes in rural areas follow the superstitious beliefs, due to the illiteracy they suffer for many issues both financial and health situations, therefore to provide them the right practices the organization conducted as many awareness programs in order to reduce the issues, awareness created about hygiene, seasonal diseases, clean and green, environment, housekeeping, mother and child care, pregnant women, economical enhancement, small scale business etc. our experts delivered speeches and the response from the public is amazing

4. Providing Food for Poor and Labor : Every day we see on the roads the poor male and female including the children begging for small change of money, they always face problem for food, and shelter therefore we are merciful to the poor and decided to provide eatables, small food packets, fruits and other items, the executive committee is involved in that program, the youth members voluntarily

taking up the distribution of parcel packets in the main centers or chowrastha and corners of the public markets, this is the charity towards the poor and needy we are satisfied of the providing

5. National Festivals : Tri colored flag is the proud of every citizen of the Country, hence we are celebrate every year the national festivals on independence day and the republic day, this is our prime responsibility to promote the unity and oneness among the society, thanks to the organizers, participants and the general public for joining the celebrations every year, thanks to the governing body for looking after the arrangements .

6. Bore well bits : We have noticed that some of the communities and tribes in the rural parts of the district are not having the water resources, go far a long distance to carry the cans and vessels on shoulders and bicycles, to provide fresh drinking water, we have requested the LIT office for grant to have the bore well bits in two different communities, the public happy to get the water from the hand pump bore well, we are also feel happy with the people too, thanks to the donors that cleared the problem of water for the previous years, whole village using the facility.

7. Distribution of Provision and Kirana : Widows and single women suffer for family maintenance; unless they get work opportunity there won't be any food materials to buy, looking at heir bad conditions and situations the society decided to provide 5 kg rice, oil packet, 1 kg red gram and bathing and washing cakes, covering provision and kirana materials, we have succeeded in this charity work helping the neglected women in the society, I thank the association for providing the lacking materials to the selected people .

8. VOTE OF THANKS : I convey my sincere thanks to all the general body members, I am here to submit thanks to the guests and invitees, it's my primary choice to thank each one of the member who is supporting the work and involving the social services to the community, Last but not least I mention thanks to the volunteers who is always ready to cooperate in the works and plans of the organization.
